SPECIAL EVENTS AND TOURS

All events are free and tours begin at parking lot.
Children are welcome!

HELLEBORE DAYS

Hellebore Days are held the first weekend in March (Friday and Saturday, 10:00 am to 4:00 pm) coinciding with the opening of our spring retail season. Come to purchase many hybrid varieties and special colors of Lenten Roses (Hellebores) while they are in bloom and for the best selection. Also enjoy the thousands of Lenten Roses and other spring flowers planted in the gardens of Piccadilly Farm. We offer a special guided tour of the Hellebore Gardens at 9:00 am on Saturday of Hellebore Days so that you can learn more about growing this wonderful plant in your own garden. Piccadilly Farm began holding Hellebore Days in 1992 and was the first nursery in the United States to have a special festival to celebrate Hellebores. Today many other nurseries have copied this event. Hellebore Days has been featured in state and local newspapers, as well as in national publications such as the New York Times, Country Living Gardener Magazine, Southern Living Magazine, Carolina and Georgia Gardener Magazine, American Nurseryman Magazine, and Martha Stewart Magazine. Free refreshments are served as part of this event.

FALL IN LOVE WITH CONIFERS WEEKEND

Conifer weekend is held each fall during the last weekend in October (Friday and Saturday, 10:00 am to 4:00 pm) which is also the closing weekend of our fall retail season. A guided conifer garden tour will be held at 10:30 am on Saturday of that weekend. We hope that you too will "fall in love with Conifers" when you explore our lovely conifer gardens and learn about the many exciting and beautiful varieties of conifers that can be grown in Southern gardens. Enjoy free refreshments while attending this event.

HOLLY DAYS CHRISTMAS OPEN HOUSE

Come Christmas shopping at Piccadilly Farm for living Christmas trees, wreaths, fresh cut greenery, gift certificates, and plants. Holly Days Christmas Open House was begun in 2015 and is held the first weekend in December on Friday and Saturday, 10:00 am to 4:00 pm. At 10:30 am each day we will provide a free demonstration on decorating with fresh greenery. A portion of the sales from this event goes to support International Missions at St. James United Methodist Church. Seasonal refreshments will be served.

GARDEN TOURS

Visitors are welcome to enjoy the beauty of the gardens of Piccadilly Farm during daylight hours. For your safety, please stay on trails and out of areas used for nursery production. Maps are available for self guided tours. Dogs are welcome if on a leash. Our gardens feature trails with hellebores, camellias, native plants, conifers, and many other special collections for your enjoyment. Please call us if your group would like to schedule a tour at other times. We welcome Master Gardeners, Garden Clubs, Horticultural Groups, and Student Groups. The gardens of Piccadilly Farm have been featured on several tours by gardening organizations such as the Perennial Plant Association, American Conifer Society, American Hosta Society, and Georgia Master Gardeners.
